No matter how you pay the 2023 dues, we need current information on each member business, so we can update our website and our email list and pass emergency contact information on to SSA Security. Please fill out the form on page 2 of this email, save it and either email it as an attachment to info@landisstationery.com, or enclose it with your check and mail it to the address listed at #3 above.

It goes without saying that Larchmont is a very special and unique slice of Los Angeles, and we are all fortunate to be a part of it. Our singular sense of community is the primary ingredient that makes our Boulevard so extraordinary. We all work hard to maintain charm and safety, and in doing so, provide an ideal environment for our customers to shop, dine and do business here. "It takes a Village" to keep our boulevard thriving. Without the LBA, we would have to eliminate our community events, boulevard security, landscaping, newsletter, website, and a great deal more. We can't continue to support these services without the participation of those who have businesses on Larchmont.

Your membership is a vital part of maintaining the charm and appeal of our unique boulevard known to Los Angeles as Larchmont Village
